

51st Annual Radiobioassay & Radiochemical Measurements Conference

October 24-28, 2005
Stateline, NV

March 31, 2005

Dear Colleague,

We are writing this letter to invite you to participate in the 51st Annual Radiobioassay & Radiochemical Measurements Conference to be held at Caesars Tahoe in Stateline, NV, October 24-28, 2005. Additional information regarding the conference can be found on the conference home page at <http://rrmc.llnl.gov> or www.bioassay.org.

General arrangements were made with Caesars Tahoe to accommodate the conference including a block of rooms at a special rate, workshop rooms, vendor exhibit area, and meeting rooms. We anticipate a large turnout due to the popularity of the area attractions.

The registration fee for a single booth is \$1,000.00. This fee includes the booth and two prepaid conference registrations for the vendor. Multiple booths may be reserved for a larger display. Payment may be made using check or purchase order (contact Rod Melgard for payment options). Vendor and technical workshops are scheduled for Monday and Tuesday, the 24th and 25th of October. Vendors may set up their displays on Tuesday morning, October 25th and exhibit their material starting at noon on Tuesday and throughout the day Wednesday and Thursday.

Since the number of vendors directly affects the breakout of the individual costs for certain functions, we are also asking for additional vendor sponsorships. A prominent sign recognizing your sponsorship will be displayed at the time of the function. You will be recognized in the printed program, the conference web site and with an announcement in the appropriate sessions.

The attached questionnaire/registration form was developed to facilitate the communications process between the conference organizing committee and the vendors and workshop presenters. Input from you about your company will be posted on the conference web site. Please complete this form with payment and return to Rodney Melgard at the address for Eberline Services as soon as possible.

The 51st Annual RRMC Organizing Committee thanks you for your support and commitment to the success of this conference.

Yours truly,

51st Annual RRMC Organizing Committee
